

Base prepared by the U. S. Geological Survey. Compiled in 1969 from 1:24,000 scale maps surveyed 1958-59 and by reference to Army Map Service 1:250,000 scale map, dated 1944.

**HORIZONTAL CONTROL**

Coast & Geodetic Survey	Geological Survey	Description
▲	▲	Monumented Point - First Order
▲	▲	Monumented Point - Second Order
▲	▲	Monumented Point - Third Order
○	○	Located Object - Third Order
○	○	See separate index for names of numbered stations
○	○	Station reported not recovered
—	—	Measured Base - Electro Optical or Taped
—	—	Line of triangulation observed
—	—	Line of triangulation observed from one end only
—	—	Measured Length - Electronic or Taped
—	—	Theodolite Traverse - Electronic Distance
—	—	Transit Traverse - Taped Distance Third Order
—	—	Transit Traverse and Leveling Third Order

**VERTICAL CONTROL**

Coast & Geodetic Survey	Geological Survey	Description
—	—	First Order
—	—	Second Order
—	—	Third Order

**STATE SURVEY CONTROL**

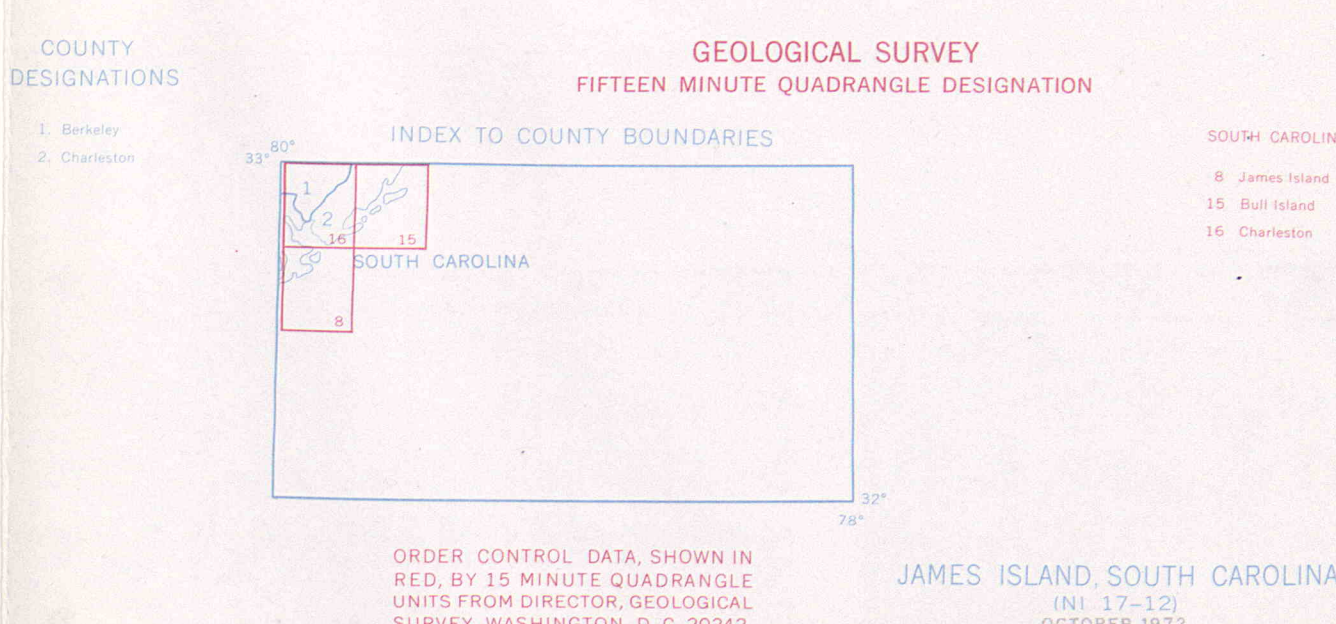

Horizontal or Vertical

—

**LEGEND**

ROADS	RAILROADS	LANDMARKS
Hard surface, heavy duty	Standard gauge	School; Church; Other
More than two lanes wide	Narrow gauge	Horizontal control point
Two lanes wide; Federal route marker	International	Spot elevation in feet
Hard surface, medium duty	State	Marks or soundings
More than two lanes wide	County	Intermittent or dry stream
Two lanes wide; State route marker	Park or reservation	Power line
Improved light duty		
Unimproved dirt		
Trail
