TRIANGULATION DIAGRAM

April 1968
(Not For Navigational Purposes)

HORIZONTAL CONTROL

- Monumented Point or Localized Object
See separate index for names of monumented stations
- Station reported not recovered
- Measured Base - Electronic or Taped
- - - Line of triangulation observed
- - - Line of triangulation observed from one end only
- +— Measured Length - Electronic

Information may be obtained from the Coast and Geodetic Survey, Environmental Science Services Administration, Rockville, Maryland 20852
